Full-Stack .Net Developer

PROFESSIONAL SUMMARY

Highly motivated and skilled Full-Stack .NET Developer with a strong passion for creating innovative and scalable software solutions. Seeking a challenging position in a dynamic and reputable software company to leverage expertise, expand technical knowledge, and embrace new technologies to drive success. Committed to continuous learning, problem-solving, and contributing to high-performing development teams.

TECHNICAL SKILLS

Programming Languages: C#, JavaScript, Java, C, Python.

Frontend Technologies: HTML5, CSS3, JavaScript, Bootstrap, Responsive Web Design.

Backend Technologies: Asp.Net, .Net Core, Entity Framework, RESTful APIS, LINQ, Object-Oriented Programming (OOP).

Databases: Microsoft SQL Server, MySQL.

Design Pattern: Repository, Unit of Work, Dependency Injection, CQRS.

Architecture Patterns: MVC, MVVM, Microservices. Version Control System: Git, Azure Devops

EDUCATION

Alexandria University

Faculty of Engineering

Degree: Bachelor's in Computer and Communications Engineering

Duration: 2022 – present

CERTIFICATIONS

Web Development – IBM SkillsBuild Digital Training Program in March 2025
by EFE-Egypt, IBM SkillsBuild

Software Engineering 1 Certificate in November 2024.
Orange Digital Center.

MySQL Fundamentals Certificate in November 2024
New horizons – SkillDynamix.

Java SE: Programming OOP Certificate in September 2024
New horizons – SkillDynamix.

Java SE: Programming 1 Certificate in August 2024
New horizons – SkillDynamix.

INTERNSHIPS

.NET Full Stack Development – 6-Month Program

Digital Egypt Pioneers Initiative (DEPI)

Duration: 2024 – 2025

- Developed full-stack applications using **.NET, SQL, HTML, CSS, JavaScript**
- Gained hands-on experience in **backend and frontend development**
- Worked on real-world projects and followed **Agile methodologies**

Web Designer – 120h

National Telecommunications Institute (NTI)

Duration: 2025

- Learned **HTML, CSS**, and responsive design principles
- Practiced creating user-friendly and visually appealing websites
- Gained solid foundations in front-end development

INTEPERSONAL SKILLS

Strong **communication skills**, effectively conveying ideas in technical and non-technical discussions.

Excellent **teamwork**, collaborating efficiently in Agile and cross-functional teams.

Strong **problem-solving mindset**, adapting to challenges with analytical thinking.

Ability to **work under pressure** while producing high-quality results.

Active **listening skills**, ensuring clear understanding and effective collaboration.

PROJECTS

C# Windows Forms App

- Built a Windows Forms application focused on hotel booking, with authentication and authorization features.
- **Framework:** Asp.Net, Entity Framework
- **Technologies:** C#, LINQ, Microsoft SQL Server.

Portfolio

- Created a portfolio platform showcasing various projects with full CRUD operations.
- **Framework:** Asp.Net, Entity Framework.
- **Technologies:** .NET Core MVC, LINQ, HTML, CSS, Bootstrap.

AWARDS

1st Place – Tawwar W Ghayer Programming Competition

Ministry of Youth & Sports, Egypt

- Achieved **1st place** in a national-level programming competition.
- Demonstrated excellence in **problem-solving, algorithmic thinking, and coding efficiency**.
